(Teaching Assistant)		( * ) (Office Hour)			
(Course Description)	This integrated- skills, communication- focused course is designed in a manner which allows students to practice and develop their English language skills by proactively engaging with a broad range of contemporary topics. While all four pillars of language learning (reading, writing, speaking, listening) are taught, emphasis will be placed on the oral communicative and listening comprehension skills. Additionally, students will also have the opportunity to develop grammatical accuracy, sophisticated vocabulary, improved pronunciation, and fluency.
